

The Maleny Contract Bridge Club Inc.

Dear Member

I hope you're surviving all this rain! Will it ever stop? At least we can escape to bridge for a few hours.

The visit from Mapleton seems to have been a great success. Many thanks to the directors and caterers who made it such an enjoyable afternoon.

We now look forward to our next event - our Random Pairs competition, which is a just a bit of fun (but serious enough to vie for your name on the trophy). And I'm pleased to confirm a couple of events coming up later in the year.

But before that, just letting you know that if anyone has an accident or serious event while in the club, it is wise to complete an **Incident Report Form**, which can be found in a folder in the cupboard in the directors' office.

Andy Hung has agreed to run another workshop on **Saturday 20 June**. So note that in your diaries now. It's always an enjoyable and informative day.

Beginner lessons will be run on Tuesday and Friday mornings for 3 weeks **beginning 21 July**.

Anne O'Hagan has kindly agreed to run these lessons again. If you know anyone who may be interested in learning to play bridge, please let them know. They can register their interest by email, or phoning me or Peter Russell.

Random Pairs - Mondays 20 and 27 April.

Players must arrive with a partner, but playing partners are then randomly selected and may be different each week.

It is not necessary to play both weeks in order to take part, but playing both weeks is required for a player's score to count toward the competition results.

Any player drawn to play with their regular partner, will be re-drawn.

Handicaps will be applied after play finishes and the best cumulative result wins.

Looking forward to sunny skies,

Barbara Jones

President
