Dear Member

New Members

It's always a delight to welcome new members of our club, and this month it's exciting that we have four of them - Laura Maguire, who joined us from the Cleveland Bay club in Townsville, and Nicky Webb, Ute and Steven Miskin, who are in our Wednesday group. We are very happy to have you all on board and look forward to many years of bridge with you.

RSL Teams

Congratulations to the team who won our recent RSL Teams event - Joan and Fred Thurlow, Herschel Baker, and Keri Sugars. I said it would be a bit of fun, and it was. A big thank you to the directors who eventually managed to tame the computer to make this event possible. It was particularly pleasing to see some of our Wednesday group joining in that day. We look forward to seeing more of you in our other sessions.

Andy Hung Workshop

We had just over 50 participants at this day, and welcomed a number of players from Nambour, Mapleton and Beerwah clubs. It was a fun social event with a great lunch prepared by many of our members, and some valuable lessons from Andy, who is always an engaging teacher. Thanks also to Paddy, his 20 year old helper who will be representing Australia in the under 25s world championship. Our brains needed a good rest by the end of the day - now to revise the notes and start using what we learnt.

Beginners Lessons

Don't forget our next lessons begin on 21 July. If you know anyone who might be interested, please put them in contact with us.

Inflation

It will come as no surprise that prices of everything are rising. Inflation is catching up with us and we are likely to need to raise our fees very soon. This is just a heads-up. You will hear more shortly. But playing bridge will still be the best value in town. Until then, happy bridging!
